#### Remarks

Thoughtfully designed and beautifully updated, this end-unit townhome offers over 1,600 square feet of living space in the sought-after, maintenance-free community of Greenbrook Walk. From the moment you arrive, the one car garage and desirable end unit location provide added privacy and convenience. As you step inside, you'll notice updated luxury vinyl plank flooring throughout the first floor, complementing the open and functional layout ideal for everyday living and entertaining. A versatile den just off the entry to the left creates the perfect space for a home office, reading room or flex space. To the right, the open dining area flows seamlessly into the kitchen featuring updated appliances and the living space, creating a bright and connected main living area that also includes a convenient half bathroom on the first floor. Upstairs, newer carpet enhances the comfort throughout the second floor, where the primary suite serves as a private retreat with a generous walk-in closet and an en-suite bathroom featuring double vanities and a beautifully updated walk-in shower. Two spacious guest bedrooms offer ample room for family, guests, or additional work from home flexibility, complemented by a full guest bath. Abundant windows throughout the home fill the space with
